

**STATE GRANT PROGRAM
COMPLETION OF PRECONSTRUCTION ACTIVITIES
PROJECT CERTIFICATIONS**

STATE PROJECT NO.

TITLE/DESCRIPTION OF PROJECT

I, _____ (name), _____ (title), duly authorized by the (Municipality) of _____ as so signified by this authorization, do certify and attest to the following:

1. Approval and acceptance of all plans, specifications, and estimates as certified by the Engineer below.

I, _____ (Engineer's name), do hereby certify that the project has been designed in accordance with established design standards as defined within the State of Connecticut Department of Transportation Community Connectivity Grant Program Guidelines.

Signed _____ Date _____

Connecticut P. E. Registration _____ (Stamp or Seal)

2. Rights-of-Way (select one)

There are no rights-of-way acquisition activities (acquisition of real property or defined easements) required as part of the proposed project.

All rights-of-way activities associated with the project have been completed as evidenced by submission of the required documentation described in the State of Connecticut Department of Transportation Community Connectivity Grant Program Guidelines.

The purchase price for all property rights being acquired represents the fair market value of such property rights, as established by a certified appraiser.

For all property rights that were acquired by donation, a Waiver of Compensation and Appraisal Form has been properly executed.

3. That the Municipality owns or has the responsibility for maintaining the Project for which funding is sought and will be responsible for all future maintenance of the Project. The Municipality shall assume all responsibility and liability for:

a) The proper maintenance and operation of the Municipality's facilities constructed as part of this Project, upon completion of the Project, to the satisfaction of the State.

- b) Maintenance of traffic control signals on municipally maintained roadways, and/or State maintained roadways (if signals are constructed as part of this Project) upon satisfactory completion of the 30 - day acceptance test period.
- c) The payment for electrical energy from such time as it is required for traffic signals and/or illumination installed on this Project, located on municipally maintained roadways, or at locations containing at least one roadway that is maintained by the Municipality.

- 4. That all public and private utility relocations have been addressed.
- 5. That all permits, regulations, executive orders, etc. required from Federal, State, and Local entities have been obtained. The Project is in compliance with the design criteria of the regulations of the Office of the State Traffic Administration (OSTA).
- 6. That this Project involves activity or critical activity within or affecting the floodplain.

_____Yes _____No

If yes, the Municipality has received the required permit approvals (via the Department) for activity or critical activity within or affecting the floodplain pursuant to Section 25-68b through 25-68h of the Connecticut General Statutes or an exemption (via the Department) from the Commissioner of the Department of Energy and Environmental Protection from such approval or approval with conditions.

_____Yes _____No

- 7. That the public has been informed of the Project through a public involvement program conducted by the Municipality.
- 8. That the Department of Transportation Policy No. EX.O.-33 has been followed with in regard to retaining the services of architects, engineers, and/or consultants.
